

11/14 inner mitochondrial membrane protein complex

14/18 mitochondrial protein-containing complex

p < 0.001

7/9 proton-transporting two-sector ATPase complex, proton-transporting domain

p < 0.01

12/12 ribosomal subunit

p < 0.05

8/8 small ribosomal subunit

29/29 ribonucleoprotein complex

58/69 non-membrane-bounded organelle

29/29 ribosome

9/9 endoplasmic reticulum protein-containing complex
