

14/14 inner mitochondrial membrane protein complex

18/18 mitochondrial protein-containing complex

p < 0.001

9/9 proton-transporting two-sector ATPase complex, proton-transporting domain

p < 0.01

11/12 ribosomal subunit

p < 0.05

30/33 extracellular region

59/69 non-membrane-bounded organelle

29/29 ribosome
