14/14 inner mitochondrial membrane protein complex	
18/18 mitochondrial protein-containing complex	p < 0.001
55/55 membrane protein complex	p < 0.01
9/9 proton-transporting two-sector ATPase complex, proton-transporting domain	p < 0.05
7/7 oxidoreductase complex	
5/5 proteasome complex	
32/33 extracellular region	

29/29 ribosome
