		14/14 peptidase complex	
		9/9 endoplasmic reticulum protein-containing complex	p < 0.001
		14/14 inner mitochondrial membrane protein complex	p < 0.01
		17/18 mitochondrial protein-containing complex	p < 0.05
		44/55 membrane protein complex	
		8/9 proton-transporting two-sector ATPase complex, proton-transp	
		22/29 ribonucleoprotein complex	
		11/12 ribosomal subunit	
		65/69 intracellular non-membrane-bounded organelle	
		29/29 ribosome	
		30/33 extracellular region
